

Ashgabat, 18 June 2019

Regular Meeting of the Project Working Group on Development of Master's Degree Program in Public Administration for the Academy of Civil Service under the President of Turkmenistan (AoCS)

Fourth meeting of the Project Working Group (WG) on Development of Master's Degree Program in Public Administration for AoCS is conducted in the Business Center Paytagt.

The regular meeting is organized by the EU funded project "Support for Public Administration Capacity Building in Turkmenistan" to discuss the progress achieved up to date and the planned future WG activities. The reporting period covers the results achieved from March 2019 and up to date. WG is responsible for drafting the modules for the Master's Program in the field of Public Administration (MPA) for AoCS.

As per the Mandate of the WG, its further functions will include also:

1. Development and discussion of the instruments and procedures for monitoring and assessment of the effectiveness of the Master's Program in the field of Public Administration.
2. Development and discussion of the criteria and requirements to the teaching staff, involved in the teaching process within the framework of the Master's Program in the field of Public Administration.
3. Consulting the Academy on other issues, related to the development and implementation of the Master's Program in the field of Public Administration.

The WG members are representatives of the following organizations:

1. Academy of Civil Service under the President of Turkmenistan;
2. Turkmen State University named after Magtymguly;
3. Institute of State, Law and Democracy of Turkmenistan;
4. Institute of International Relations of the Ministry of Foreign Affairs of Turkmenistan;
5. International University for the Humanities and Development;
6. Ministry of Education of Turkmenistan;
7. Key experts and non-key experts of the EU funded project „Support for Public Administration Capacity Building in Turkmenistan “;
8. Other organizations, proposed by the Academy of Civil Service under the President of Turkmenistan.

WG indispensable asset to proper functioning of the Project activities in implementing MPA program. The event will clarify the drawbacks in this area and elaborate the relevant future steps.
